

HISTORIC FIRST GENERAL MEETING

The Hunter Wildlife Rescue Centre is now operational as a facility where we can conduct our meetings and training. While still undergoing its makeover, the training room is equipped with a smart TV purchased with the assistance of the AGL NGSF grant, that can now provide ready access to minutes or powerpoint presentations. Several of the walls have been covered with blue carpet providing ample space for displays.

At the September General Meeting held in the Hunter Wildlife Rescue Centre, members were both impressed and excited with the facilities and progress - our appreciation goes to the Building Working Party members who have worked tirelessly toward the realisation of this major goal that will see Hunter Wildlife Rescue/NATF Inc be able to assist the wildlife of the Hunter Region more effectively in many ways.

Present were Jill Dean, Audrey Koosman, Lisa Lowe, Teresa Purnell, Judy Hopper, Joan Jones, Bev Marsh, John Dwyer, Jason Hodge, Hope Genge, Anne Morgan, Kate Randolph, Jane Gilchrist, Emma Cooksley, Linda Marr.
